<Medical Checkup Services At Your Home for New Born Babies >

Please let *Hoken* Center know at your baby's birth. Don't you have any concerns or problems about taking care of your baby after giving a birth? A nurse or midwife will visit your home to measure your baby's weight, height etc. and give some advices. Please make use of this service even on your 2nd baby . ★★ For example, "Although only 1 hour has passed after I gave mother's milk, my baby is already crying. Should I give my baby milk again?" "I feel uneasy about my baby's constipation." "I'm in trouble because my older child needs a lot of care after my 2nd baby was born" and so on.

Application/ Please submit " a baby's birth card" to the city hall when you register the birth of your baby , mail it or call Hoken Center. ※ "A baby's birth card" is available with Maternal and Child Health Handbook.

<Let's Have a Medical Check! For 6 & 9 Months Old Babies>

Medical Checkup services for 6 and 9 months old babies are available for free. This is a very important checkup after the ones for 3 and 4 months old babies. Please don't miss to take this opportunity.

Tickets/ Tickets for this checkup are available at Hoken Center when the checkup for 3 and 4 months old babies. Or if you don't have it, please come to get it to Hoken Center directly. ※ Call clinics or hospitals under contract and make an appointment. Contact about details on clinics or hospitals under contract(☎555-1111)
